REFERENCE(S)

1. The AEVIRGIL organization voted to disband itself on 30 April 1963 mainly because its financial sponsors decided to withdraw their support. The property of the organization is being disposed of in accordance with the pertinent internal AEVIRGIL and West German regulations. The employees are seeking other positions and some have already transferred to new jobs. A few older persons are likely to remain unemployed; their eligibility for various kinds of welfare assistance is being reviewed. The termination should be essentially completed by 1 August 1963.

2. In line with our previous policy of keeping CAWASH informed on the status of "revealed groups", you may wish to brief CALANATE on the foregoing. If so, please note that we desire the termination of AEVIRGIL to be clean and complete. We would appreciate any information available to CAWASH on the intentions of members or chapters of AEVIRGIL to form new successor organizations, albeit under another name and sponsorship.

3. FYI only: We have been working closely with Alias Dorbach of UPHILL on this termination since he is our point of contact on emigre groups generally.
